#### **Hearing Panel – Applications Requiring Waivers – Designation of Replacement**

Ms. Tyranski advised the Board that during the September 14, 2016 meeting, the Board agreed to establish a hearing panel to review applications that may require waivers. Dr. Contino was previously appointed to serve as chair for Hearing Panel #27, which is scheduled to end on November 30, 2016. Dr. Contino's term recently expired, therefore, Ms. Tyranski requested a volunteer to act as Chair until November 30, 2016, if needed.

Ms. Darling volunteered to replace Dr. Contino's position, as chair, on Hearing Panel #27. Dr. Castaldo moved, seconded by Ms. Halpern, to appoint Ms. Darling to replace Dr. Contino on Hearing Panel #27.

Ms. Tyranski appointed Dr. Devereaux (Chair), Dr. Castaldo, and Ms. Lane to serve on Hearing Panel #29 during the months of February, March and April 2017.

#### **Discussion Regarding Results of LPN Audit**

Ms. Tyranski reminded the Board that the 2016 renewal was the first renewal cycle for LPNs to obtain a minimum of three CEs in the area of substance abuse. She advised the Board that there appeared to be a misunderstanding regarding the results of the LPN audit discussed in September, specifically regarding the LPNs who failed to obtain the required hours in the area of substance abuse, had obtained 24 hours of continuing education, and met the practice hour requirements. Ms. Singh advised the Board that they

previously allowed RNs, who failed to obtain CE in the area of substance abuse, but obtained 30 hours of CE and met the practice hour requirement, 30 days to make-up the deficiency.

Dr. Castaldo moved, seconded by Ms. Darling, to afford the LPNs who failed to complete the required substance abuse continuing education, but met all other requirements, 30 days to make-up the deficiency, in order to provide the same opportunity to the LPNs that was offered to the RNs in this particular situation. Motion unanimously carried.

Ms. Tyranski requested that the Board discuss the process for future post-renewal continuing education audits. Ms. Williams advised the Board that typically, when audits are deemed deficient for any particular reason (unless otherwise determined by the Board), licensees are referred to the Administrative Hearing Unit for a Rule to Show Cause Hearing.

Mr. Salati moved, seconded by Ms. Halpern, to forward future post-renewal continuing education audits that are deemed deficient, to the Administrative Hearing Unit for a Rule to Show Cause hearing. Motion unanimously carried.

### **EXECUTIVE SESSION (Closed to the Public)**

#### **Discussion of Ongoing Litigation with Leads School of Technology, dba Adoni**

At 9:53 a.m., the Board entered into executive session to discuss ongoing litigation with the Leads School of Technology, dba Adoni.

At 10:40 a.m., executive session adjourned.

The Board observed a brief recess from 10:40 a.m. until 10:54 a.m.

Mr. Castaldo moved, seconded by Ms. Udealer, to schedule a hearing on the issue of whether Leads' misrepresentation of the length of its curriculum in its annual reports is a sufficient basis to withdraw Lead's approval. Motion carried with Mr. Salati, Mr. Brown, and Ms. Lane opposing, and Ms. Nellius abstaining.

### **COMMITTEE REPORTS**

#### **APRN COMMITTEE**

Dr. Williams reported that the Committee is currently in the process of developing frequently asked questions and has a meeting scheduled on October 17, 2016.

### **PRESIDENT'S REPORT**

Ms. Tyranski reported that the next National Council of State Board of Nursing (NCSBN) president's call is scheduled for October 17, 2016. Since the last meeting, Ms. Tyranski's focus has been working with the Division of Professional Regulation on troubleshooting issues with eBoards. She advised the Board that some members have encountered challenges with eBoards since the recent software update, and that there is a help button on the eBoards website, for Board members to utilize if they are having difficulties and it is after hours. Ms. Tyranski advised the Board members that if they have not received an email notification at least seven days in advance of a scheduled meeting, that they check the eBoards website.

Ms. Tyranski advised the Board that she has requested that the email notifications for amended agendas notate the specific items that were added to the agenda, in addition to the items being notated with an asterisk on the agenda itself.

Mr. Salati inquired about the Board's previous decision to create a deadline about when additional agenda items can be included on an amended agenda. Ms. Tyranski reported that she met with Director Mangler and followed up on that issue. She reported that although the Board previously reached a consensus on establishing a deadline for additional agenda items to be added to an amended agenda, it is not the current policy for the Division of Professional Regulation. She reported that the current policy of the Division of Professional Regulation, is to add additional agenda items to an amended agenda, if it has been determined that a postponement will cause a hardship on an applicant or licensee, or if an agenda item is deemed urgent.

**Legislative Update**

Memorandum from Director Mangler Regarding 149<sup>th</sup> General Assembly

The Board reviewed the memorandum from Director Mangler requesting that any proposed legislation be submitted to the Division of Professional Regulation by November 15, 2016. Ms. Tyranski reported that the biggest challenges that the Board will face during the upcoming legislative session pertains to the compact licensure and APRN compact licensure. It was suggested that a Legislative Committee be formed and Ms. Tyranski requested that if anyone is interested in leading or serving on the Committee, to contact her following the meeting.

### **Practice Issues**

#### **Delegation**

Ms. Singh requested that the Board discuss the current regulations in order to determine if regulatory changes are needed at this time. The Board discussed the regulations and the intent of the regulations at length. It was determined that the Board would not move forward with making any regulatory changes regarding Rule 7.4.6.

### **Educational Issues**

### **Licensure Issues**

There were no licensure issues.

### **LICENSEE APPROVAL**

### **UNFINISHED BUSINESS**

#### **Review of Nursing Application Questions**

Mr. Salati, Mr. Brown and Ms. Halpern, volunteered to review the applications for licensure for potential revisions. Dr. Mack circulated a draft of application containing the suggested revisions for the Board to review. The Board discussed the disclosures section of the application at length.

Ms. Singh requested that the Board consider why they ask if an applicant has ever been convicted of or entered a plea of guilty or no content to any felony, misdemeanor or any other criminal offense, when applicants are required to submit a state and federal criminal background check. If a criminal background check is received, and a crime is listed, the Deputy Attorney General for the Board reviews the criminal

history. Ms. Singh advised the Board that the question, many times, ends up entrapping the applicant, causing the application to come before the Board, because the applicant did not understand the question. Mr. Brown voiced his concerns regarding the criminal background checks and eliminating the question on the application. He thinks that it is important for the Board to know whether there is an arrest record, regardless of whether or not the Deputy Attorney General reviews it or not.

Ms. Tyranski advised the Board that the NCSBN continues to recommend that the question remain on the application. It is her recommendation, that since the Board is part of the Compact that the question should remain on the application until and unless, other jurisdictions and the NCSBN recommends that the question be eliminated from the application.

After a lengthy discussion regarding potential revisions to the application, the Board decided to continue the discussion regarding potential revisions during the next regularly scheduled meeting.

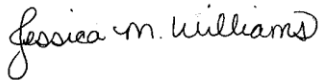

#### **PUBLIC COMMENT**

Ms. Sando voiced her appreciation for the Board and thanked the members for their time and effort.

#### **ADJOURNMENT**

The meeting adjourned at 2:31 p.m.

Respectfully Submitted,
